Celebrate a Vibrant Life

A sense of belonging.

Near the shores of Lake Lewisville, minutes from Frisco and Denton in the town of Little Elm, both the young and the young at heart come together to celebrate a vibrant life at Union Park.

This unique multigenerational community offers homes from the high \$200s to \$500s and is anchored by a 30-acre Central Park, where friends and families gather for morning strolls through tree-lined greenbelts, afternoon get-togethers in the shade of the pavilion, and movie nights on the event lawn. From the lush greenbelts and woods of Central Park to appealing amenities designed for foodies, dog lovers, fishing fans, and much more, there's always something new to experience at Union Park. And at the end of the day, Union Park neighbors settle into the home that's perfectly suited to their stage of life — from singles and couples to families and empty nesters.

Denton ISD Schools

From kindergarten through high school, Union Park students attend the highly acclaimed Denton Independent School District. With walking and biking trails connecting elementary and middle schools, and a high school located just across U.S. Highway 380, each school day brings the comfortably familiar sight of neighborhood kids sharing the journey. With today's technologies and teaching methods, the student experience looks much different now than it did for Union Park parents and grandparents. Plus, we have an on-site school, Union Park Elementary, located within our community.

What is an MMD?

A municipal management district, or MMD, is a special district created by the State of Texas to finance facilities not provided by a municipality. Having a MMD at Union Park provides not only for the financing of improvements such as water, sewer, drainage, roads, and park facilities; it also funds the maintenance and operations cost of the public park and right of way landscape within the property.
